

Town of Washtucna

Request for Qualification Data to Furnish Engineering Services

The Town of Washtucna is requesting qualified engineers to submit statements of qualification to perform a scope of work, which may include planning, design, and construction engineering services for sidewalks, water, wastewater, roadways, and utility projects. For more information about the project, contact: Ellen Baumann, Clerk-Treasurer at (509) 646-3253.

Firms will be rated based upon the following criteria categories, weighted as indicated: Qualification of key personnel (2); Relevant experience as demonstrated on previous projects (2); Previous performance (1); Knowledge of Washtucna's system (1); Washington State Certified Minority Enterprise Participation (0.5).

Firms desiring consideration shall submit a complete qualification package and any other pertinent data to further assist the selection committee in evaluating the firm's qualification to: Town of Washtucna, P.O. Box 713, Washtucna, Washington 99371-0713. Qualification packages should be no more than 10 pages and submitted to arrive no later than 5:00 p.m. on June 22, 2010.

Projects may be partially funded through the Washington State Community Development Block Grant Program with federal funds provided by the U.S. Department of Housing and Urban Development and American Recovery and Reinvestment Act. USDA Rural Development may also participate in project financing. As a result, cost plus percentage of construction cost contracts will not be allowed and a number of state and federal equal opportunity and affirmative action requirements will apply to the selection process and conduct of the project.

The Town of Washtucna is an equal opportunity and affirmative action employer. Minority- and women-owned firms are encouraged to submit proposals.
